

Grading: Midterm and Final

IMPORTANT INFORMATION:

In the new system, you will not synchronize over percentage scores and grades from CANVAS to the MUHUB. You can use your CANVAS gradebook for your course grades. At the midterm marking period and end of semester, you will follow the steps below to enter grades.

Follow these steps for grading:

1. Calculate your final grade in whatever gradebook you use (CANVAS, Excel, Paper, post it notes, etc.).
2. Log into your MUHUB account using your MU credentials. Login link located at: <https://www.marian.edu/current-students/my-marian>
3. Click on the FACULTY tile to open up the list of assigned courses by term.

Here you can view your active classes and submit grades and waivers for students.

Midterm Grading:

6. For midterm grading (if doing final grades, skip to step #7)

a. Click on the "Midterm 1" link.

b. Select the grade from the "select grade" drop down box under the Midterm Grade column for each student.

There is no "submit" button for midterm grades. Once you enter the grade, it is automatically posted and available to students on their MUHUB accounts. If you realize you made an error, you can update the midterm grade without contacting the Registrar's Office!

Midterm grades are progress report grades. CASE, Athletics, Advisors, and others use the midterm grades to help counsel students on whether to withdraw from a class or not, so do not to use "I" grades or over edit/change midterm grades once entered.

For questions, contact the Registrar's Office at regis@marian.edu or by phone at 317.955.6050.

4. **If you make a grading error or need to adjust a final grade and have already POSTED the grades** – you must submit a Change of Grade form to correct the grading error. Change of grade forms are available on the [portal](#) under the “Forms for Faculty” folder or in the Registrar’s Office. This form is not available on the public MU website.

The Registrar’s Office staff cannot “return” final grades back to you for editing purposes. Once you post the grades, they are live/active grades to students. The change of grade form is the only way the grade can be corrected or changed after you post them.
