

MATHEMATICS PLACEMENT TESTING: INTERPRETING YOUR RESULTS

For students **REQUIRED** to take the math placement test, use the below chart to interpret the course recommendation based on the placement test score. For students not required to take the math placement test, see the bottom section of the page.

Math test score	Course recommendation	Noncourse equivalency in MUHUB (not credit, allows registration)
0-5	Consult Sr. Monica Zore (x6380)	
6-12	MAT-090	MAT-090P
13-25	MAT-095	MAT-095P
Students scoring in the ranges above (0-25) must complete the required developmental course(s) before taking one of the below general education courses. The developmental course should be taken in the first semester and a grade of C or above is required to continue. Students scoring in the ranges below (26+) may choose one from the following courses as deemed appropriate by your discipline (major), background, or interest. Your advisor will guide you in this decision.		
26-45	Options, may vary based on major: BUS-209 MAT-115 MAT-130 MAT-140 MAT-145 POL-206 PSY/SOC-205	MAT-GENP
46-53	Any of the above options, <u>except</u> MAT-140 and MAT-145 Additional options: MAT-215	MAT-GENP MAT-215P
54-61	Any of the above options, <u>except</u> MAT-140, MAT-145, MAT-215 Additional options: MAT-230	MAT-GENP MAT-230P

ATTENTION ADVISORS: If there is a question about a student's placement, consult with Sr. Monica Zore (x6380) **BEFORE** making any changes or substitutions. Sr. Monica will evaluate the request and indicate whether another placement would be advisable.

MATHEMATICS PLACEMENT BASED ON ACT/SAT SCORE

For students **NOT REQUIRED** to take the math placement test and who are not bringing in math transfer credit, use the below chart to interpret the course recommendation based on their ACT/SAT score. ACT/SAT scores are listed in the MUHUB.

Based on the SAT/ACT scores, students will fall under these guidelines for math placement testing. Depending on their major and their score, they will fall into different ranges on this chart.

Major	Based on ACT or SAT Math Score		
	Below ACTM 19 OR Below SATM 530	ACTM 19-20 OR SATM 530-570 Noncourse equivalency: MAT-GENP (not credit, allows registration)	ACTM 21+ OR SATM 570 or above Noncourse equivalencies: MAT-GENP, MAT-215P, MAT-230P (not credit, allows registration)
